

# Please be safe in Plymouth!

**PUBWATCH** will not let any banned individuals into their venues

**NIGHT PATROL** offers welfare and medical support on Wednesdays and Fridays

**ASK FOR ANGELA** gives you a safe place to go if you are feeling concerned or vulnerable

**TAXI MARSHALS** make sure you are safe in the queues

The **ANTI-SPIKING CAMPAIGN** helps to support you and deter offenders

Have a **RETURN HOME PLAN** as taxis can get busy late at night

**BAR STAFF** and venue staff will help and support you, just ask

**STREET PASTORS** offer great welfare support on Saturday nights

**BEST BAR NONE** accredited venues have been assessed to a high standard

**DOORSTAFF** are there to help you and many are trained in vulnerability

Plymouth's **SAFE BUS** is staffed with paramedics on Saturdays to look after you if needed

**POLICE** will help and support you if you need it

Remember there are a lot of people in the night time economy who can support you. If you are concerned –  
**JUST ASK**

We hope you have a great time here in our fabulous city. It's a great place to live and work, as well as study. You will have some epic nights out in our clubs and pubs. Plenty of work happens to keep you safe at night, here are a few tips about what support is available.

For a better night out in Plymouth
